Conditions

- the exhibition is **only for hedgehogs with pedigree**
- only hedgehogs born before 30/9/2022 may participate in the show
- BREEDING ASSESSMENTS ARE NOT POSSIBLE

There are no other restrictions. Nevertheless, please consider if the hedgehog is in good health. Do not annoy sick or injured animals by shooting and filming.

If the hedgehog has clearly visible health problems (suppurating spots, bald spots, scabies etc.) or there is a suspicion the hedgehog is younger than allowed age; the hedgehog may be disqualified. If so, the show fee will not be returned to the exhibitor!

Show categories

The categories will be set based on the applications. If there will be a higher number of hedgehogs in a category, it is possible to divide them according to sex, age or other criteria. To open a category, at least 8 animals from three individual owners must be registered. If there are not enough animals in a category, the category may be cancelled or merged with another category. Three winning places will be awarded in each category.
The animals will be evaluated based on received photos and videos. The judges will not know the hedgehog or exhibitor's name. The judge cannot evaluate an animal to whom they have a breeder or owner relationship.

The hedgehogs will be evaluated according to IHA standard:
http://hedgehogclub.com/standard.htm

Best in Show

This award will be given to the hedgehog winning the 1st place in its category with the highest number points. If there will be more hedgehogs with the same amount of points, the winning hedgehog will be chosen by the organiser. If the organiser will have a relationship with some of these hedgehogs, the main judge will choose the winner.

Ježko sympaťák (most favourite hedgehog - male&female)

This award will go to the hedgehog with the highest number of votes in the link. Voting will be possible immediately after the link is published
and will end at 16:00. All votes obtained after 16:00 will not be considered. If someone shares the photos to get the likes by deception, their hedgehog will be disqualified from this competition.

If you registered your hedgehog to the online show and also to this competition, you have to pay for both events. This competition is also for hedgies without pedigree, LEH or wild hedgies.
